# PROJECT PROFILE

## SIDEWALKS REHABILITATION PROGRAM VILLAGE OF NEW HAVEN, MACOMB COUNTY, MICHIGAN

**BACKGROUND**

As part of the Village Sidewalk Rehabilitation Program, the proposed work was necessary to replace the narrow old failing sections of the public sidewalks (PASER Rating 1-3) not meeting current ADA standards. The Village is a walking community where sidewalks are used frequently all year round.

**LOCATION**

Clark Street (Havenridge Rd to Rosell Rd), Haven Ridge Road (Prospect St to Division St), Pine Street, Elk Street, and Division Street, New Haven Village, Macomb County, Michigan.

**SCOPE**

Provided project management, field surveys, design, construction engineering, and contract administration services for the proposed removal and replacement of 2,300 SY of concrete sidewalks, ADA ramps, traffic control, clean-up and restoration.

**SPECIAL FEATURES**

Coordination and management with utility agencies, Village officials and Federal agencies. Assistance with funding administration as the project received partial funding from the State of Michigan through the Community Development Block Grant (CDBG) program.
